

# helica Aflatoxin M1 ELISA

For Milk And Dairy Products

[Catalog No. 961AFL01M]

## Product Highlights

- Assay range 5-100ppt
- Limit of detection 5ppt
- Easy extraction
- Cost-effective and user-friendly tests
- Results in 2.5 hours
- Break-away wells allow low-volume testing
- Standards and conjugate preserved with proprietary stabilizers
- One year stability and reproducibility of results
- Easy to follow instructions
- Color-coded reagents in convenient, easy to use vials
- No confirmation by HPLC Required

## Mycotoxin ELISA KITS

| Catalog No.    | Product   |
|----------------|---|
| 961AFLM01M-96  | <b>Aflatoxin M1</b><br>for milk and dairy products  |
